Awaken in a dark cave tired and hungry
Head deeper into the cave or head for the light?
Head towards the light and escape cave, suddenly rocks fall and close the cave behind you
Head deeper, suddenly you hear rocks falling and the light disappears.
Still hungry, you press on, ahead there is a fork in the path
Head left or right?
Right
Left
After a short walk, you arrive in an open field.
As you approach the left path, you see a faded sign. It seems to be a skull and crossbones.
Take this path anyway?
No
Pass
Yes
50/50 chance of survival
Fail
You fall in to a deep hole, your legs are broken and you can't climb out
You take the right path instead.
You see a small pond ahead, thirsty, you approach it
Drink the water?
Yes
You become infected with Cholera and die of dehydration.
No
You decide against drinking the water
In the distance to the north you see a blinking light alike to a cellular tower. You also hear footsteps to the west.
Head north, west, or wait?
North
You head north and find a lightly used trail
Along the trail you find a wild blueberry bush
Eat the berries?
No
You decide against eating the berries
You press on to the north, thoughts clouded by hunger
70% chance to black out
Black Out
Pass
You suddenly black out from hunger
Yes
You eat some berries
Your stomach stops aching and you can think more clearly, the juicy berries also quench your thirst
You reach a small clearing in the forest.
You realize you have walked on to an occupied camp site.
The campers feed and shelter you before they take you back to civilization.
West
You head to the west, you see someone or something hiking through the forest. It is walking upright so you assume it's a human.
Approach the creature?
Yes
As you approach the hiker, you realize it is covered in fur and very tall.
The Sasquatch sees you and charges, striking you with a powerful blow. Everything fades to black
No
You decide to head away from the figure.
You walk a little further and discover a shrine.
There is a sword set in stone and bigfoot is looming behind you.
You draw the sword
Fight
Combat Engine
Do you fight or flee?
Flee
Escape? 50/50 chance
Yes
You run and reach a small town.
No
Death by bigfoot
Wait
You wait and eventually drift to sleep.
Wait 2000ms
You never wake up again.
Something shiny catches your eye
Investigate the object?
No
Yes
You find a cell phone, the battery holds charge.
You call 911 and head back to the field, where a rescue chopper picks you up.
You die of starvation
Game End
